## EDUCATION

**B.Tech - Electrical** CGPA: 9.4 (till 6th sem)

### **Pandit Deendayal Energy University**

2020 - Present

**12th** 82.83%

### **Seventh-Day Adventist Higher Secondary School**

2019 - 2020

**10th** 80%

### **Seventh-Day Adventist Higher Secondary School**

2017 - 2018

## WORK EXPERIENCE

### **Intern**

#### **Transformer and Rectifiers India Ltd. (TRIL)**

May 2023 - July, 2023

- TRIL is a significant Indian firm that manufactures and distributes power and distribution transformers, rectifiers, and other electrical equipment.
  - I received substantial knowledge and hands-on experience in transformer manufacturing processes as a result of this course.
  - From start to finish, I learned everything there is to know about transformer insulation, winding processes, core assembly methods, tanking procedures, testing protocols, and efficient dispatch practices.
- 

## ACHIEVEMENTS
